## April 13 - Trade War About War Not Trade

April 13, 2025

### U.S., China barrel toward the bottom in escalating trade war

The world's superpowers are closer to a full economic break than ever before, as President Donald Trump leader Xi Jinping refuse to back down.

**[https://www.reddit.com/r/conspiracy/comments/1jx6okk/the\\_real\\_reason\\_behind\\_the\\_us\\_china\\_trade\\_war\\_it\\_s\\_not\\_about\\_economics\\_it\\_s\\_about\\_war\\_preparation\\_mark\\_my\\_words/](https://www.reddit.com/r/conspiracy/comments/1jx6okk/the_real_reason_behind_the_us_china_trade_war_it_s_not_about_economics_it_s_about_war_preparation_mark_my_words/)**

Let's cut through the mainstream narrative for a second. The U.S.-China trade war was NEVER about "fair trade" or "protecting American jobs." That's the spoon-fed lie they want you to swallow. The truth? **This is economic decoupling at lightspeed--a desperate scramble to sever ALL ties with China before the inevitable war erupts.**

Think about it: why would the U.S. suddenly slap 145% tariffs on Chinese goods\*\*, knowing full well it'll make your iPhone cost \$2,500 or your electric vehicle unobtainable?\*\* They. Don't. Care. Because this isn't about you. It's about restructuring the entire global supply chain before the bombs drop.

The elites know what's coming. They're racing to bring critical industries like pharmaceuticals, rare earth minerals, microchips, and military tech back to U.S. soil. Why? Because when the real conflict starts--and it WILL start--they don't want to rely on China for antibiotics, batteries, or the components that power our drones and missiles.

This isn't speculation. Look at the sudden push for "reshoring," the

CHIPS Act, and the panic over Taiwan's semiconductor dominance. Taiwan is the tripwire. When China makes its move, the U.S. needs to be fully self-sufficient, or it's game over.

And for those still asleep: this war will make WWII look like a playground skirmish. Two nuclear-armed superpowers, global supply chains in ruins, and a digital battlefield that could crash the internet, the grid, and the financial system overnight. The elites aren't "preparing"--they're PREPARED. Stockpiling, securing bunkers, and ensuring their survival while the rest of us fight for scraps.

Wake up, people. The trade war is Phase 1. Phase 2 is kinetic. The clock is ticking. Mark. My. Words.

What critical industries do YOU think they're scrambling to secure? And how long until the first "incident" in the South China Sea?

## Patrick O'Carroll - Hitler was a Zionist Agent

April 12, 2025

**As humanity girds itself for the third Masonic Jewish World War, it is helpful to remember that all world wars are orchestrated by Jewish agents (Freemasons) on both sides to destroy Christian civilization.**

**The two branches of Jewish Freemasonry are Zionism and Communism.**

**WW3 is between the US, NATO, Israel (Zionists) and Russia, China and Iran (Communists.)**

**Trump is preparing to cull the goyim again.**

**Ultimately, "goyim" refers to anyone who refuses to embrace Lucifer.**

**by Patrick O'Carroll**  
**(henrymakow.com)**

**WickedPedia lists the grand total of 24 assassination** attempts on Zionist Hitler in 1932-44.

It is highly noteworthy that almost all of these parties were German Patriots, one Swiss, and one Polish.

ALL German Patriots could see CLEARLY that Adolf Hitler was working for the Zionists throughout WW2. But highly noticeable by their total ABSENCE are any US, British, Russian, or French agents taking a shot.

Churchill rejected a German offer given by Ewald von Kleist in London on 21 Aug 1938, whereby German Patriots would have Hitler certified as "insane" and locked up in a lunatic asylum. This was to be certified by world-famous Professor Dr Karl Bonhöffer, and a panel of psychiatrists that the German Patriots had already assembled.

Although it is CLAIMED that Churchill did not take power until 10 May 1940, this was another enormous deception by Britain. Behind the scenes, Churchill had been in charge since 1914 because he was the son of Edward VII.

Churchill (also a Jew) turned down about 30 peace offers from

Germany by June 1940, including two dozen proposed by Deputy-Führer Rudolf Hess, whom the British jailed and finally murdered in 1987 as a token of their "fair play".

In the German Holocaust, the Zionist powers (US, GB, RU, FR) genocided 37 million Ethnic-German Civilians in 1914-55 (but 30 million of them after VE Day, 8 May 1945). Churchill openly confirmed that the whole POINT of WW2 was to genocide the Ethnic-German Civilians of Central Europe: "You must understand that this war is not against Hitler or National Socialism but against the strength of the German people, which is to be smashed once and for all, regardless whether it is in the hands of Hitler or a Jesuit priest". Of course, the second most important WW2 goal of "Team Antichrist" was to establish the Antichrist State of Israel (plan = "roughly 3 years after WW2").

Churchill rejected all offers or plans by the Zionist powers (US, GB, RU, FR) to assassinate Hitler because Hitler was the most important British-Zionist agent throughout WW2. That is the main reason why the above list contains ZERO Zionist attempts to assassinate Hitler. One notable case was when Churchill SWIFTLY FOILED a concrete plan and offer made by MI6 assassin Edward Arnold Chapman (cryptonym "Agent Zigzag") to assassinate Hitler.

Noel Mason-MacFarlane was the military attaché to the British Embassy in Berlin. He offered to assassinate Hitler from his Berlin apartment, which overlooked the street Charlottenburger Chaussee, which had a podium on which Hitler would stand when Germany's armed forces gave him a birthday-salute every 20 April. It was the PERFECT SPOT. It would have been exceedingly easy to assassinate Hitler by a sniper rifle-shot from Mason-MacFarlane's apartment. **But five Hitler Birthdays (1940-44) passed without any British assassination attempt on Adolf. On at least two occasions, Churchill explicitly turned down these unique assassination bids by Noel Mason-MacFarlane.**

Why did Churchill work so hard to shelter and shield Hitler, and to ensure that WW2 would take place?

**Honest Jew Rabbi Harry Waton**

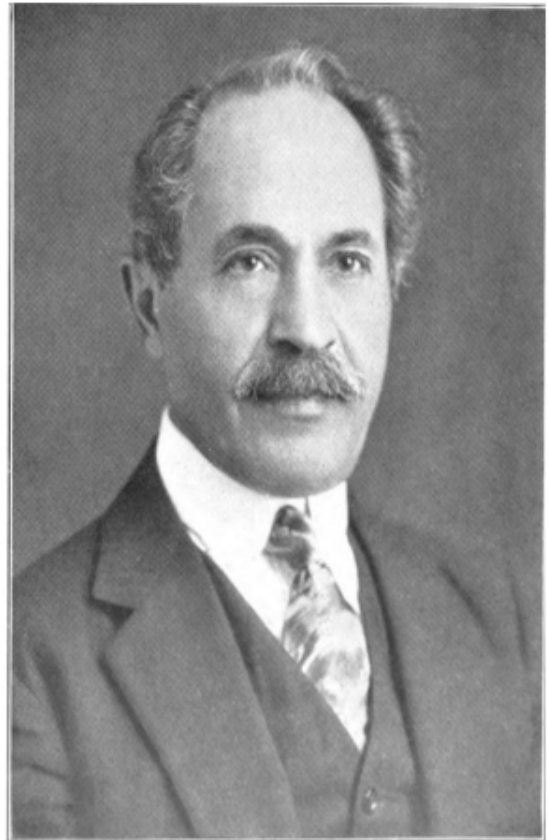

# **says Hitler was right and that Judaism is poison to the Aryan races**

**"[Adolf Hitler] has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany, but in the world. It is useless to dismiss this as an illusion, because if it is, it demands explanation.**

**But it is no illusion. It is the truth. Hitlers declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature; and his capacity to realize this is the proof of his genius"**

**- Rabbi Harry Waton**

A Program for the Jews and an Answer to all Anti-Semites; A Program for Humanity" (1939)

HARRY WATON

**s m o l o k o . c o m**

**Churchill PROTECTED Hitler because he knew that Hitler was the SINGLE MOST IMPORTANT Zionist Agent in all of Germany in 1933-45. The whole PURPOSE and JOB of British-Zionist Agent Adolf Hitler was to help the Zionists destroy Germany and to boost the death-toll of the German Holocaust of 1914-55 to 37 million Civilians.**

The notorious "Hitler Dead" photo was of Hitler's Doppelgänger Gustav Weler (<https://ibb.co/9kjVfc6Z>). This Weler photo is the only "Hitler Dead" photo (i.e. the only "evidence") that "Team Antichrist" ever released ... ever.

Greg Hallett is an insider of MI5+6 and of the English monarchy. Hallett's "Royal Batards" Chart is shown here:

<https://ibb.co/Df8DDcMQ>. The chart shows that Edward VII was 75 percent Jewish, and his son Winston Churchill, by NY Jewess Jennie

Jerome, was 87.5 percent Jewish. That is important because it explains why Churchill was such a Rabid Zionist who was hell-bent on genociding Ethnic-German Civilians (34 million of them after 1940).

Greg Hallett revealed that MI6 Agent Ian Fleming, who in WW2 bore the cryptonym "007", rescued Adolf Hitler, Eva Hitler, and Martin Bormann, from Berlin on 27 Apr 1945 in "MI6 Operation Winnie the Pooh".

Hitler's escape was as follows: At midnight on 27 Apr 1945, Hitler and his party walked through the underground tunnels to the exit at Berlin's Fehrbelliner Strasse. Waiting for them on the cleared roadway of Berlin's HohenzollernDamm was a Junkers JU 52 which flew them to Tondern-Denmark. Another Junkers JU 52 flew them to Travemunde-Germany. From there, a Junkers JU 252 flew them to Reus-Spain, where General Franco supplied a Spanish plane to fly them to Fuerteventura on the Canary Islands (near Western Sahara in northwest Africa). From there, a U-518 took them to Mar del Plata, Argentina. Harry Cooper (<https://sharkhunters.com/>) claimed to have proof that Hitler died in the 1960s in San Carlos de Bariloche, Río Negro province, Argentina.

## **CIA-INSIDER JOHN LEAR REVEALED THAT HITLER DIED IN 1968**

In a *Veritas Radio* interview in Aug 2019, CIA-Insider John Lear confirmed that Hitler did NOT die in his Berlin bunker but lived in Argentina and Paraguay, and died in his late 70s at a major US Midwest hospital in 1968 (he later qualified that Hitler had died at the Mayo Clinic in Rochester MN). The London-NY-Alliance granted Hitler his freedom in gratitude for transforming Germany into a colony of the Zionist City of London and for enabling the smooth completion of the German Holocaust of 37 million Ethnic-German Civilians (30 million of them after "VE Day", 8 May 1945), see also here:

## **IN WW2, "TEAM ANTICHRIST" RAN THE AXIS FROM BASES WITHIN SWITZERLAND**

In 1939-45, from his base in Bern-Switzerland, "Illuminati" kingpin Allen Dulles oversaw the entire Axis because WW2 was the single most controlled conflict in human history. Allen Dulles traveled regularly to Basel and met his NSDAP lackeys at the BIS-HQ at Centralbahnplatz. The NSDAP gave its boss Dulles physical loot it stole from throughout Occupied Europe, which was mostly transferred by rail from Lörrach-Baden to Basel. Dulles then stored this loot temporarily in bunkers in the Swiss Alps but, after WW2, forwarded most of it to London and NYC.

## April 12 - A Way to Help Gaza

*"This is a picture of me pulling my niece out from under the rubble after the house was targeted over our heads."*

**We feel helpless in the face of Israeli barbarism.  
We don't know where our donations will go.**

**I received this direct appeal from a Gaza student Hamdi Mig.  
I am donating \$100. I would rather be scammed  
than risk denying a legitimate request for help.  
C'mon gold bugs. Share your good fortune!**

"Hello, I'm Hamdi, a university student living in the stricken city of Gaza. Our house was bombed over our heads while we were inside. Surprisingly, my sister and I escaped, but the rest of the family was martyred, leaving me and my sister alone. Now we want to leave Gaza to find shelter and a life for ourselves, complete our education, and obtain a university degree. The cost of travel is very high, and I couldn't raise it on my own. I also want to raise the cost of studying.

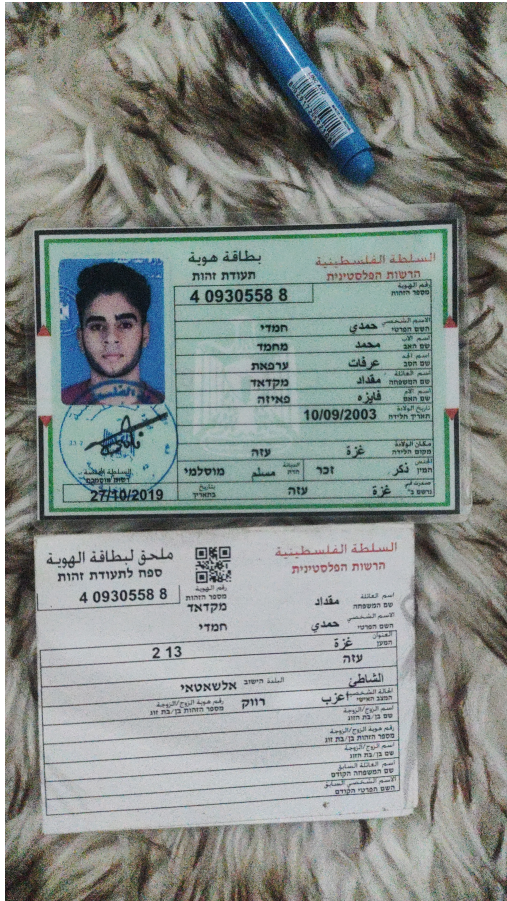

Please help me through this link, or by sharing it on your platform.  
<https://gofund.me/16466b92>

"Really, it is a very difficult life, we cannot live here because of the famine and lack of food, water and medicine, also there is no source of income or even a shelter that we can live in. Here life is very difficult and expensive, and we could not complete our education because of the bombing and the constant displacement from one place to another, I am here just looking for anything that will keep me alive so that I do not die of hunger, and I also want to complete my education but I do not have enough money, please help me.

"On 3/9/2024, I left our house to go shopping for my family. On the way, I heard the sounds of violent shelling and targeting. I ran back home, scared. I was surprised that these targeting were of our house where we live in the Nuseirat camp. I learned that all my family members were martyred under the rubble, and there were no capabilities to get them out. I got them out on my own and buried them with my own hands. Now my sister and I live in a tent alone, and we have no source of income or shelter. I want to complete my studies and leave Gaza, but there is nothing to help us here. I ask you to help me with these matters.

"Unfortunately, brother, financial transactions here have very strict procedures. They must be in the name of someone from a European country so that I can collect donations. I...

Gigantic pharmaceutical corporations and massively bloated health insurance companies are raking in colossal mountains of cash, and yet the quality of the healthcare that we receive in return is rather quite poor. People living in Albania, Panama and Kuwait have higher life expectancy rates than we do. Residents of Belarus, Cuba and Latvia have lower infant mortality rates than we do. We are the most medicated population on the planet and yet we are also one of the sickest. This "holy" rabbi brags that the Talmudic decree whereby the Jews must genocide all Christians, and indeed all non-Jews, is soon about to come true. He boasts that all the Goyim "Livestock" are about to be "annihilated":

**THE JEW TABOO IS BEING BROKEN:** Now it is official: The Jews killed Jesus Christ in 33 AD, they executed Adolf Eichmann in 1962 (the hero who was dubbed "the Real-Life Schindler"), and they also assassinated JFK in 1963. History keeps repeating.

US

historian Martin Sandler, editor of *"The Letters of John F Kennedy"*, stated: "Kennedy threatened [Ben Gurion over atomic tests by the Antichrist State of Israel] and threatened him in such a way that ben-Gurion resigned. And I will tell you that I found articles not in any crackpot publications but in very sophisticated publications saying forget Lyndon Johnson, forget the CIA, forget Fidel Castro, the Mossad killed Kennedy because they were so upset over what he did to ben-Gurion".

CIA analyst Larry Johnson told Judge Napolitano that the Jewish Mafia, led by Meyer Lansky, collaborated with James Jesus Angleton of the CIA to kill JFK.

In stark contrast, Zionist Britain held NO elections in 1935-45. Hence, Zionist Britain was the ACTUAL dictatorship in 1935-45, while Germany was arguably an ACTUAL democracy throughout 1932-45.

Furthermore, the USA stopped being a "democracy" when its president became a dictator who ruled the nation by executive orders."

## Makow - I Used to Be a Zionist

**(Life is routine at this Tel Aviv cafe while a genocide takes place 30 miles away.)**

**When I was in my twenties, I used to lull myself to sleep by imagining I was gunning down "Palestinian terrorists" who were attacking my kibbutz.**

**by Henry Makow PhD**

**I considered immigrating to Israel** in 1972 and lived there for nine months.

I went to Labor Zionist summer camps as a youth.

In 1970, I huddled in a bunker at *Kibbutz Ashdod Yaakov* during a mortar attack.

I'm writing this because I hung out with Zionist Jews when I was young. They were good people.

Charming, warm, funny, smart. I never encountered a pejorative attitude to Gentiles.

What has happened to you?

How can you participate or condone this genocide?

Can't you see that the Hamas attack was orchestrated by Netanyahu to justify ethnic cleansing?

The IDF stood down for seven hours to allow the trauma brainwashing to be effective.

Hamas was funded by Israel to avert the two-state solution.

***Can't you see? You have been duped.***

Zionists funded Adolf Hitler to trauma brainwash Europe's Jews.

## **Zionists foster antisemitism to control their fellow Jews.**

Many Jews oppose Israeli barbarism and support the two-state solution. Not all are Soros' Communist puppets.

Many like [Max Blumenthal](#) and the folks at *Electronic Intifada* are courageous and principled people whom I admire.

## **CONSIDERED ALIYAH**

I lived in Israel for nine months in 1972-1973. I was a copy editor on the *Jerusalem Post*.

My crowning achievement was a headline about a zoo that showed porn to chimps to encourage propagation. It read "*Zoo Shows Porn to Boost Monkey Business.*"

I was living in Jerusalem when Israel shot down a Libyan airliner that had strayed into the Sinai. Their pathetic excuses really lowered Israel in my eyes.

I had been seeking my identity in community. I decided not to stay because I sensed the people were secondary to the state. No respect for the individual.

I felt strongly about leaving. "*When you're stuck in an outhouse vault, it is no consolation that the bums on the pot are Jewish.*"

I saw student groups visiting Herzl's grave and wondered if I was missing an opportunity to belong to a larger cause. I decided to leave anyway.

I have known many Jews in my life and I like them. I don't have to tell you how talented many are.

BTW, I suspect there are *at least 50 million Jews*, not 15 million.

I intend to spend the rest of my life researching them. They are a mystery to me.

But, unfortunately, the Sabbatean Frankists (Satanist bankers) are in control.

The only do-able solution is the two-state one. Jews have no legitimate claim to Israel. The least they can do is share it.

But I'm afraid that Israel was established to create world war and catastrophe.

The people in charge are trying to bring about the End Times. It's insane.

Jewish people are smart but they are being used to bring tyranny and calamity.

**Jews need to reinvent themselves as mensch-- neither Zionist nor Communist.**

**Zionists need to pay reparations to Palestinians, beg for forgiveness and make a new beginning.**

## April 10 - You Are Perfect

April 10, 2025

The giant that's  
in front of you is never  
bigger than the  
God who's inside of  
you. Amen!

*(Alas,  
the  
giant  
is  
also

of  
you.  
It is  
our*

*satanist brainwashing.)*

You are perfect.

God is perfect. You have a spark of Divinity in your soul.

Western society has been subverted by Satanists who have brainwashed us to think God doesn't exist. This is because they have taken his place. They have persuaded many we are "hackable animals" with no soul. They can't have us obeying God when we are their slaves.

*Thus we suffer from mistaken identity.* Instead of identifying with God within, we identify with our brainwashing: Money, sex, power and fame, all surrogates for the Bliss that resides within. This is the cause of addictive behavior.

The grand strategy is to dispossess and enslave humanity using contrived war as a pretext.

All world wars are started by Satanists on both sides in order to depopulate the world. The trick is to make these satanic sacrifices look inevitable, patriotic and heroic. Trump, Putin and Nertanyahu all belong to this cult. They and the Islamists are all Freemasons. FDR, Churchill, Stalin and Hitler were all Freemasons. We are being had!

God speaks to all of us but most don't hear Him. We are all really seeking God - absolute Bliss, Justice, Truth, Beauty, Love -- in the wrong place. God is Perfection. Perfection is within our soul. We need to assert our real Divine identity in order to experience it.

Satanism is the secret religion of the West. We have been

inducted into Satanism without knowing it.

Everyone can sense that the situation throughout the world has reached a dead end. The question remaining in people's minds is not will there be a world war 3 but rather, when? When will WWIII break out? The cursed, cast-off rebels of Judah are a curious mixture of narcissism, wickedness, and childish naivety.

<https://chuckbaldwinlive.com/Articles/tabid/109/ID/4741/Its-Time-For-Christian-Zionists-To-Put-Their-Money-Where-Their-Mouth-Is.aspx>

"Since Israel broke the ceasefire agreement and resumed its genocide of the Palestinians in Gaza almost a month ago, the IDF is deliberately and wantonly slaughtering over 100 precious, innocent little children every day. And there is barely a peep of protest by so-called Christians.

And why should we expect anything different? Evangelical "Christians" have cheered for Israel's mass murderous genocide and ethnic cleansing of the Palestinian people from the beginning--going all the way back to 1947.

This is due to the pervasive acceptance amongst evangelicals of the heretical and blasphemous doctrines of Prophetic Dispensationalism, aka Scofield Futurism or Christian Zionism.

All over America, evangelicals--in public and private--justify this murderous carnage in Palestine on the outlandish and cultic belief that the Zionist State of Israel is a revived Old Testament Israel and, therefore, has divine justification to commit ethnic cleansing and genocide against the Palestinians on the basis of God's command to the prophet Samuel to use Israel as an instrument of divine judgment upon the Amalekites in I Samuel 15."

**"I'm writing this in the conspiracy board** because these accusations are not substantiated. But I just need to ask, has anyone ever just sat down and connected the dots on what exactly is up with this dude? And look, I am honestly so tired of people jump to his defense and saying things like "oh well, he had a huge substance abuse problem when he was writing a lot of his books, that's why the subject matter is so crazy!"

**In my opinion, it's no excuse for how often he depicts literal children in sexual situations so often, and so frequently, and so explicitly! Not to mention all of the water works and scat situations as well for adults. How is this normal or acceptable? Again, I understand to a degree of course it's art and it's all fictional, but I truly have to wonder why he entertained these themes so consistently.**

I started down this rabbit hole with him when I started examining a lot of Stanley Kubrick films actually, I developed a separate theory on Kubrick, where I suspect his movies are actually huge call outs against all of the actors, producers and writers in Hollywood at the time, calling them out as being "pdfiles." There wasn't a lot that convinced me that Stephan could have been part of the call out other than Kubrick took his story from the Shining and clearly intentionally pissed him off through that adaptation.

Not until I watched a yt video by the channel called "Deep Dive." They did a very long documentary on Drew Barrymore and during the first installment of it, they bring up a very little known fact that Stephen King, was essentially obsessed with her when she was from like ages 10-11 when she was in the Stephen Spielberg movie *"Fire Starter"* based on the book by Stephan King. There's this insanely creepy recording of him and Drew having what I suppose was a very early technology provided video call. The way he talks to her, and just the way they both interact with each other in general, it is so beyond creepy. It's also so clear that he never thought that other people would see this interaction. They exchange "I love yous" he fawns over a drawing she made for him that he has hung up on his wall right behind him. I know it sounds innocent, but you just have to see it for yourself.

It's also been noted that Stephan has stated that he viewed Drew at the time as his own child, and loved her like she was his daughter. I'm just saying, I find this so bizarre, how close exactly can you get as a young child star when you star in a movie based on a book and the author of that book becomes obsessed with you. Don't get me started on Drew and Stephen Spielberg's relationship, that is a whole other post.

I'm just saying, people defend this guy to no end but they really shouldn't. Just look more into him and don't give him excuses for his extremely strange subject matter in his books. He really has pulled a work on so many people, because he is a good writer, and so many people like his books. My prediction, he's going to be outed soon and it will be a Neil Gaimon situation.

## Reader Review- Snow White Takes Heat for Protesting Gaza Genocide

April 1, 2025

G--"We just had to go, not just to indulge our inner child, but also to support that young actress (Rachel Zegler) who was so

up-front  
about the  
plight of the

**Palestinians,  
and who took so much heat for her stance."**

**Makow- Seems the Ziomeida condemned this movie  
because of Rachel Ziegler's stand on Gaza, and  
we may have been influenced unwittingly.  
This is how we are mind-controlled.**

**by G  
(henrymakow.com)**

**Hi Henry, my husband and I went to see the film *Snow White*. We  
went to kindle some of the nostalgia of our youth, but also to see the  
project that resulted in so much controversy.**

Little people upset for not being hired, or for being poorly portrayed;  
main stars in very public conflict regarding the Gaza genocide.

**We just had to go, not just to indulge our inner child, but also to**

**support that young actress (Rachel Zegler) who was so up-front about the plight of the Palestinians, and who took so much heat for her stance.** We went hoping the artistry would transcend the controversies, and of course we know it's impossible to make EVERYONE happy. Anyhow here are my observations:

The film was basically NOT THAT GOOD. I fully believe Gal Gadot who played the iconic evil queen ruined it. Her acting was terrible and she in no way represented the dark and cunning wickedness of the original bad queen. And worse, (this was a musical) she can't sing. Many flat notes; I can't understand how the director and/or sound technicians could let her get away with that.

Over all I guess I'd give it a C+. There were a few magical/touching moments, both in sentiment and cinematography, but not enough to feed the nostalgia we all were looking for. Some mainstream media outlets are pinning the low box-office on young Rachael Zegler who played Snow White. I fully disagree; she was good in the movie and my personal opinion is that she's only taking heat because she bravely spoke out about the genocide in Gaza and the plight of the Palestinian people. They did allow her love interest to save her life; rare in today's movies, but the point was made that she did need him and came to love him.

Well, we know the news lies, but our eyes and ears don't. My husband liked the film a bit more than I. He pointed out the parallels to today's world concerning all the demise and so much corrupt leadership. There was a scene at the end where all those who were fighting on the side of good were reflecting on what life was like before the evil queen took power, and one-by-one they looked into the camera and said, "I remember." "I remember." "I remember."

It was very stirring, and it got us to reflect on life as it was a few decades ago, life as it should be, could be: loving, helpful, compassionate, and FREE. I mean, who needs an evil queen, or a dictator king? Real leaders work with the people and know we are all kings and queens in our own right, fully capable of cooperating and moving life forward.

Anyhow, what thinking mind doesn't crave a good film? So now, after

decades of so much Hollywood garbage we are expecting better from today's offerings, not just in film but also in theater, and all other art forms.

There was a time when artists pointed the way, helped move evolution along, and made life beautiful, productive, adventurous, fun, curious, questioning, experimental, and HOPEFUL!! I hope we see a return to more of that. Wishful thinking, but it would be wonderful if the artists themselves would only sign on to quality projects, heart-warming, thought-provoking, and pro-humanity; it would be a gift to humanity.

### **First Comment from Mike Stone**

I enjoyed today's post by G, and I agree with a lot that she said. On the one hand, it's good that the movie is bombing, because Disney is the epitome of evil. On the other hand, I admire Rachel Zegler, the lead actress, for speaking publicly and honestly on a subject that most people have been cowed into silence over.

Zegler is now being blamed for the film's poor performance at the box office. Of course, the media is trumpeting that story and braindead Americans are buying it, but the reality is she has nothing to do with the film's poor box office performance.

She didn't write the script. She didn't direct the movie. She had no say in any of the creative decisions behind the film. And she didn't green-light the film's excessive and wasteful budget. All she did was memorize the lines that somebody else wrote, and then give the director the performance that he and the film's producers wanted her to give. By all accounts, she did an admirable job. No one has criticized her performance.
